Hi Koyaa!

2017, 11'20"

The documentary takes us way back, to the very beginnings of the story of Koyaa, our animated hero, which has its roots in the children's world of author Kolja Saksida. We go behind the scenes as other members of the film crew join the audience to show first-hand how the set is made, how

Mr Raven comes to life, and how Koyaa gets his voice and movement. Our entertaining narrator will tell you about Koyaa's world, and the film examines the magic not only of Koyaa but of animation as a whole.
